The McDonald
Racer set it's
personal record of
238.836 mph, and
continued to move
up to 3rd place in the
T6 Gold Class.

2000 The First Race

Due to engine
problems and an
emergency landing
on the way out to the
races, the Thumper -
Race 12 was
awarded the
"Dagger Award".

2006 The McDonald Racer- Race 37 Era Begins

Phil McDonald, a
beloved fan and
honorary team
member, sells his T6
to the team allowing
us substantially
increased speeds.

2008 Thumper- Race 12 Meets its End

The Thumper met
it's end in the
Colorado mountains
when a malfunction
caused fuel
starvation. Our race
pilot was unharmed,
and continues to
race today!
